BIDS AND AWARDS COMMITTEE
Research Center I, City of Batac 2906 Ilocos Norte

NOTICE OF BID OPENING CONFERENCE
March 15, 2021

The province of Ilocos Norte is experiencing an increase in the number of COVID – 19 cases, with outbreaks in the City of Batac and other municipalities, that made LGU chiefs to declare lockdown.

Two (2) staff of PhilFIDA – Research Center I were found COVID – 19 positives hence prompted the office to lockdown from March 13 – 19, 2021. This incident affected BAC opening of bids scheduled on March 17, 2021 for the **CONSTRUCTION OF THE ILOCOS COTTON PROCESSING CENTER-PHASE II**.

In view of this, the BAC agreed to reschedule the opening of bids on March 29, 2021 (Monday), 1:30 in the afternoon at the Research Center I Conference Hall, City of Batac, Ilocos Norte.
