

Executive Director III Kennedy T. Costales has approved PhilFIDA's Quality Policy and Core Values last July 2018 QMS training in DAP Tagaytay City.

Every PhilFIDA employee is enjoined to adopt, internalize and put into practice the core values and quality policy statement in carrying out their duties and responsibilities.

Core Values

We, the employees of PhilFIDA, bind ourselves to uphold the Principles of **HIBLA** as our commitment and social responsibility in the performance of our duty as public servants.

Quality Policy

We are committed to deliver the highest quality service through improved fiber production and processing technologies, and strict enforcement of regulations to sustain the growth and development of the Philippine natural fiber industry.

We adhere to applicable legal requirements and established quality standards set for the satisfaction of our stakeholders.

We shall continually improve our processes, capabilities and resources to ensure delivery of quality service.

"Ang antas at kalidad ng bawat HIBLA ng paglilingkod ay patuloy naming iaangat at paghuhusayin."
